Have you ever lived in a shared-living arrangement before? What were your experiences?

If you were to clean a kitchen, how would you go about it? What supplies would you need?

(See other side)

*Please answer the following questions
(attach another sheet if you wish)*

What does “service learning” mean to you, and what interests you in becoming a member of the Service Learning Community?

What contributions could you bring to the SLC?

What types of service experiences have you been involved in or with to be involved in?

Describe a service experience that made an impact on you, and why it made that impact.

Please share anything about yourself that will help us get to know you better.
